

Surpasses Shipper Visibility KPIs, Reduces Check Calls and Expands Customer Base with Trucker Tools' Real-Time Freight Tracking

90%

average tracking compliance success rate for Q2 and Q3 in 2020

Streamlined workflows for team members.

“

It's seamless for us, so that's helped us continue to provide excellent service to our customers and also essentially is keeping our personnel levels manageable because it's so efficient to use.”

—Omar Singh,
CEO of Surge Transportation

TOP
10

Scored in the 10 top of all service providers on customer KPI score cards.

Gained additional growth opportunities without increasing overhead.
